WORLD HUMANITARIAN DRIVE FOUNDER CHAIRMAN'S MESSAGE

World Humanitarian Drive (WHD) is a charity organisation founded in U.K. by me. WHD has made huge strides and made important links with Faith Leaders, other Charities, and Government Organizations across the world, to combat Violence, Extremism, and Radicalization and to Promote Peace through Trade, Education, Sports, Arts and Media and in still humanistic values in our community.

Sequel to the recent launch of WHD Korea Chapter on World Humanitarian Day (Aug 19th 2019) , we are happy to launch WHD in India collaborating with Panimalar Group of Institutions, Chennai. The launch is to happen at the event of Passport 2 Future (P2F) that consists of Series of Keynote Sessions & Panel Discussions aiding and empowering participants in understanding global growth in different sectors for their outstanding future.

The event of P2F being organised by WHD continuing its ongoing sequels around the world to promote education, peace, human empowerment, interdependence, trade, mutual prosperity and universal values. WHD partnership organization "Universal Peace Federation" which holds a special Consultative Status with the United Nations Economic and Social Council (ECOSOC) this is the highest status granted by the United Nations to non-governmental organizations (NGO's), thereby allowing them to participate in the work of the United Nations.

A highly selective group of delegates will be in attendance from various fields, We believe that your presence in this important event will help assure its success with the support from a person of your stature who has created impact in the lives of thousands of people continuing to do so on a global forum will definitely ensure a fruitful result to our efforts by motivating them to rise above the limit and a chance to feel the vibe of your presence under the same roof.

There is a growing awareness among people throughout the world of the urgent need for innovation and the urge to grow with tremendous speed with this in mind (P2F) will bring together leaders like you whose individual and collective experience, wisdom and insight are needed if we are to build a world of mutual understanding with awareness for sustainable peace, growth and prosperous future for all.

I welcome you all and thank you for being a part of Passport 2 Future
