## Культурная и межпарламентская дипломатия – диалог Москвы и Лондона во имя мира

Автор [редакция Регионов России](#) 08.07.2019

Президент WHD, Почетный Посол города Кройдон, мистер Абдул Басит после завершения Глобального саммита в Лондоне с дружественным визитом посетил Москву и принял участие в Международном форуме "Развитие парламентаризма", который проходил в столице России с 30 июня по 3 июля 2019 года. Таким образом культурные и миротворческие связи между Москвой и Лондоном сегодня дают нам надежду на возобновление диалога на политическом уровне.

Первый Трехсторонний Глобальный саммит в Лондоне проходил на трех основных площадках – в представительстве Федерации за Всеобщий Мир (UPF), в мэрии города Кройдон, а также в Палате лордов Британского парламента. Весьма примечательно, что одним из со-организаторов престижного гуманитарного события в Великобритании выступил Международный дипломатический клуб "Amicability". Президент МДК "Amicability" Сергей Дворянов в своем выступлении на Глобальном саммите подчеркнул, что глобальное мышление сегодня в первую очередь подразумевает понимание глобальной ответственности мировых лидеров. Он также выразил надежду, что конструктивный диалог между Москвой и Лондоном способен стать существенной лептой в деле укрепления Мира.
